

Directions to Chez Harding Chalet de la Vanoise, Montchavin les Coches

- Follow road N90 for approx 60 miles beyond Chambéry, following directions for Albertville, Tarentaise, Moutiers then Bourg-St-Maurice.
- Just after passing Aime and Bellentre turn right (signed to Montchavin-Les-Coches).
 - Do NOT take the right turn at Bellentre (signed to Les Granges) – some GPS systems will try to direct you down this road and then up a steep farm track. Give it a go only if arriving in tracked vehicles...
- In the village of Landry turn right onto D220 then left onto D225 where the road starts to climb.
- After 5 sharp bends, approx. 4 miles, you will arrive at Montchavin.
- Turn left off the D225 (signed Montchavin) as the road bends sharply to the right, and continue straight-on, past the garage to your RHS and caravan park below to your left.
- After 6 further sharp bends you will see the chalet set back from the left hand side of the road – marked M57 below.
